**School Concert**

I am very excited to know that our school concert is TOMORROW. Final preparations are being undertaken for what is going to be a fantastic display of singing, dancing, acting, playing and lots of fun. The show will start promptly at 6:30pm at the CRC church. Each class has been told what they will need to wear on the night for their costumes. If you have not had a note from your child’s class teacher contact us at the school. The students are to be at the church at 6pm. It was suggested for the children to have dinner before the show starts and to bring a drink bottle and a snack or two to have while the show is on. **Throughout the concert the students will be held in the church hall waiting to perform.** All students will need to stay for the whole show as they will be involved in the finale. The P&C will be selling light snacks at the door on the night.

**Morning Supervision**

Of a morning we have teachers on duty in both areas from 8:45am. We ask that you try not to have your child/children at school before this time. Our teachers start arriving at school from 7:30am and when they arrive they are busy planning for the day ahead. They are here if you do require earlier supervision of your child/ren but you will need to prearrange this. Many of our students come on buses and do arrive before 8:45am. The staff will be re-assessing the morning duty start time to cater for the arrival of the first bus. Until then, we ask that ALL students who arrive at school before the start of morning duty sit quietly. In the interest of student safety no student should be playing any game of a morning without a teacher on duty.

**Busy Busy Busy**

The last three weeks of this term will be super busy as always. Years 3 and 4 will be going to Leeton for an AFL gala day, Years 2-6 will be participating in cricket gala days at our park. The choir and the Narungderra Dancers will be performing at the LGAN conference. All our students will be participating in Jump Rope for Heart. The girl’s softball team will play in the Riverina final against Sturt Public School – good luck! Our infants students will be going on an excursion to Wagga and our Years 5 and 6 students will be going on their excursion to Borambola. The infant’s choir will be performing for the residents at TELOCA. I thank all the staff here at NPS for providing these opportunities for all our students!

Until next week,

Joanne Stamos

Class News - 5C
The students have just about mastered their concert item for tomorrow night. We hope to see all parents there. If your child is going to Borambola and has not paid in full could you try to do so ASAP as it is only 2 weeks before we go. Don’t forget the Father’s Day breakfast on Friday. This week’s merit winners were Jaylin Morgan, Mariah Beauchamp, Jakaila Warren and Tyler Mohr. Our raffle winner was Aaliyah Hawkins. Well done everyone! Our maths topics this week are multiplication/division and Fractions. We are revising 2 digit multiplication algorithms and proper and improper fractions and mixed numerals. Our focus times tables is 9’s.
Thank you. Kerryn Cassidy – 5C Class Teacher.

WHOLE SCHOOL ASSEMBLY
Friday, September 12
Parents stay for lunch – Jump Rope for Heart Jump off after lunch in the Primary COLA

COMMUNITY EVENTS:
Narrandera’s Farmers Market – Held 1st Sunday of each month – September 7, 2014 at Shady Gum Nursery Car Park – 9am to 12noon. FATHER’S DAY – Shout your Dad a ‘Big Breaky’. All produce home-grown by local cooks and gardeners.

Science Week Activities with 2H
2H have been doing experiments with cornflour and had fun making a mess. They made snowballs with cornflour and shaving cream. In groups they had to mix them together until they could form snowballs.

They all look like they are having a ball; snowball!
They also made goo, but that didn’t turn out very well and that is the joy of science experiments, sometimes they just don’t work.
Mrs Hoogers – 2H Class Teacher.
